Hellish Resistance. You have resistance to fire damage.

Legacy of Dis. You know the thaumaturgy cantrip. When you reach 3rd level, you can cast the disguise self spell once with this trait and regain the ability to do so when you finish a long rest. When you reach 5th level, you can cast the detect thoughts spell once with this trait and regain the ability to do so when you finish a long rest. Charisma is your spellcasting ability for these spells.

RACIAL TRAITS

Darkvision. You can see in dim light within 60 feet of you as if it were bright light, and in darkness as if it were dim light.

Eldritch Invocations.

Agonizing Blast. When you cast eldritch blast, add 4 to the damage it deals on a hit.

Repelling Blast. When you hit a creature with eldritch blast, you can push the creature up to 10 feet away from you in a straight line.

Hexblade's Curse (Bonus Action—1/Short Rest). Choose one creature you can see within 30ft. The target is cursed for 1 minute. Until the curse ends, you gain the following benefits: You gain a +3 bonus to damage rolls against the cursed target and any attack roll you make against the cursed target is a critical hit on a roll of 19 or 20 on the d20. If the cursed target dies, you regain 6 hp.

Hex Warrior. Whenever you finish a long rest, you can touch one weapon that you are proficient with and that lacks the two-handed property. When you attack with that weapon, you can use +7 for the attack and +4 damage.

Font of Magic (Bonus Action). You have 4 Sorcery Points. You can transform unexpended sorcery points into one spell slot (2 > 1st, 3 > 2nd, 5 > 3rd, 6 > 4th, 7 > 5th) on your turn or you can expend one spell slot and gain a number of sorcery points equal to the slot's level.

Metamagic. You can use only one Metamagic option on a spell when you cast it, unless otherwise noted.

Quicken Spell. When you cast a spell that has a casting time of 1 action, you can spend 2 sorcery points to change the casting time to 1 bonus action for this casting.

Twinned Spell. When you cast a spell that targets only one creature and doesn't have a range of self, you can spend a number of sorcery points equal to the spell's level to target a second creature in range with the same spell (1 sorcery point if the spell is a cantrip).

Moon Fire. You can call down the radiant light of the moon on command. You learn the sacred flame spell, which doesn't count against the number of sorcerer cantrips you know. When you cast the spell, you can target one creature as normal or target two creatures within range that are within 5 feet of each other.

Lunar Embodiment. Whenever you finish a long rest, you can choose what lunar phase manifests its power through your magic: Full Moon, New Moon, or Crescent Moon. While in the chosen phase, spells of the associated phase in the Lunar Spells table can be cast once without expending a spell slot. Once you cast a spell in this way, you can't do so again until you finish a long rest.

Full Moon: Faerie Fire, Moonbeam, Death Ward, Freedom of Movement

New Moon: Dissonant Whispers, Darkness, Bestow Curse, Evard's Black Tentacles, Misdemeanor

Crescent Moon: Sanctuary, Blindness/Deafness, Phantom Steed, Hallucinatory Terrain, Dream

You've cleared enough lessons—and have gained an ally or two among the staff—to enable access to certain private areas within the Lyceum and other allied universities. Whenever you're on Lyceum grounds or at another major academic institution, you can requisition any set of tools found in the fifth edition rules. Each set of tools is magically marked to sound an alarm if they are removed from the university's grounds. When you seek services such as spellcasting from an NPC at the Alabaster Lyceum or a related institution, you can use those services at a 25 percent discount, at the GM's discretion.

SPELLS TO PREPARE

2ND LEVEL

Booming Blade

Evocation Cantrip

CASTING TIME	1 action
RANGE	5 feet
DURATION	1 round
COMPONENTS	V, M (a weapon)

As part of the action used to cast this spell, you must make a melee attack with a weapon against one creature within the spell's range, otherwise the spell fails. On a hit, the target suffers the attack's normal effects, and it becomes sheathed in booming energy until the start of your next turn. If the target willingly moves before then, it immediately takes 1d8 thunder damage, and the spell ends.

This spell's damage increases when you reach higher levels. At 5th level, the melee attack deals an extra 1d8 thunder damage to the target, and the damage the target takes for moving increases to 2d8. Both damage rolls increase by 1d8 at 11th level and 17th level.

Spellcasting (Sorcerer)

Sword Coast Adventurer's Guide

Eldritch Blast

Evocation Cantrip

CASTING TIME	1 action
RANGE	120 feet
DURATION	Instantaneous
COMPONENTS	V, S

A beam of crackling energy streaks toward a creature within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 force damage.

The spell creates more than one beam when you reach higher levels: two beams at 5th level, three beams at 11th level, and four beams at 17th level. you can direct the beams at the same target or at different ones. Make a separate attack roll for each beam.

Pact Magic (Warlock)

Player's Handbook

Mage Hand

Conjuration Cantrip

CASTING TIME	1 action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	V, S

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.

Spellcasting (Sorcerer)

Player's Handbook

Mending

Transmutation Cantrip

CASTING TIME	1 minute
RANGE	Touch
DURATION	Instantaneous
COMPONENTS	V, S, M (two lodestones)

This spell repairs a single break or tear in an object you touch, such as broken chain link, two halves of a broken key, a torn cloak, or a leaking wineskin. As long as the break or tear is no larger than 1 foot in any dimension, you mend it, leaving no trace of the former damage. This spell can physically repair a magic item or construct, but the spell can't restore magic to such an object.

Spellcasting (Sorcerer)

Player's Handbook

Message

Transmutation Cantrip

CASTING TIME	1 action
RANGE	120 feet
DURATION	1 round
COMPONENTS	V, S, M (a short piece of copper wire)

You point your finger toward a creature within range and whisper a message. The target (and only the target) hears the message and can reply in a whisper that only you can hear. You can cast this spell through solid objects if you are familiar with the target and know it is beyond the barrier. Magical silence, 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood blocks the spell. The spell doesn't have to follow a straight line and can travel freely around corners or through openings.

Spellcasting (Sorcerer)

Player's Handbook

Minor Illusion

Illusion Cantrip

CASTING TIME	1 action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	S, M (a bit of fleece)

You create a sound or an image of an object within range that lasts for the duration. The illusion also ends if you dismiss it as an action or cast this spell again. If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends. If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5-foot cube. The image can't create sound, light, smell, or any other sensory effect. Physical interaction with the image reveals it to be an illusion, because things can pass through it. If a creature uses its action to examine the sound or image, the creature can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the illusion becomes faint to the creature.

Spellcasting (Sorcerer)

Player's Handbook

Prestidigitation

Transmutation Cantrip

CASTING TIME	1 action
RANGE	10 feet
DURATION	Up to 1 hour
COMPONENTS	V, S

This spell is a minor magical trick that novice spellcasters use for practice. You create one of the following magical effects within range:

- You create an instantaneous, harmless sensory effect, such as a shower of sparks, a puff of wind, faint musical notes, or an odd odor.
- You instantaneously light or snuff out a candle, a torch, or a small campfire.
- You instantaneously clean or soil an object no larger than 1 cubic foot.
- You chill, warm, or flavor up to 1 cubic foot of nonliving material for 1 hour.
- You make a color, a small mark, or a symbol appear on an object or a surface for 1 hour.
- You create a nonmagical trinket or an illusory image that can fit in your hand and that lasts until the end of your next turn.

If you cast this spell multiple times, you can have up to three of its non-instantaneous effects active at a time, and you can dismiss such an effect as an action.

Pact Magic (Warlock)

Player's Handbook

Sacred Flame

Evocation Cantrip

CASTING TIME	1 action
RANGE	60 feet
DURATION	Instantaneous
COMPONENTS	V, S

Flame-like radiance descends on a creature that you can see within range. The target must succeed on a Dexterity saving throw or take 1d8 radiant damage. The target gains no benefit from cover for this saving throw. The spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

Moon Fire (Sorcerer)

Player's Handbook

Thaumaturgy

Transmutation Cantrip

CASTING TIME	1 action
RANGE	30 feet
DURATION	Up to 1 minute
COMPONENTS	V

You manifest a minor wonder, a sign of supernatural power, within range. You create one of the following magical effects within range:

- Your voice booms up to three times as loud as normal for 1 minute.
- You cause flames to flicker, brighten, dim, or change color for 1 minute.
- You cause harmless tremors in the ground for 1 minute.
- You create an instantaneous sound that originates from a point of your choice within range, such as a rumble of thunder, the cry of a raven, or ominous whispers.
- You instantaneously cause an unlocked door or window to fly open or slam shut.
- You alter the appearance of your eyes for 1 minute. If you cast this spell multiple times, you can have up to three of its 1-minute effects active at a time, and you can dismiss such an effect as an action.

Legacy of Dis (Tiefling (Dispatery))

Player's Handbook

Charm Person

1st-level enchantment

CASTING TIME	1 action
RANGE	30 feet
DURATION	1 hour
COMPONENTS	V, S

You attempt to charm a humanoid you can see within range. It must make a Wisdom saving throw, and does so with advantage if you or your companions are fighting it. If it fails the saving throw, it is charmed by you until the spell ends or until you or your companions do anything harmful to it. The charmed creature regards you as a friendly acquaintance. When the spell ends, the creature knows it was charmed by you.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

Spellcasting (Sorcerer)

Player's Handbook

Chromatic Orb

1st-level evocation

CASTING TIME	1 action
RANGE	90 feet
DURATION	Instantaneous
COMPONENTS	V, S, M (a diamond worth at least 50 gp)

You hurl a 4-inch-diameter sphere of energy at a creature that you can see within range. You choose acid, cold, fire, lightning, poison, or thunder for the type of orb you create, and then make a ranged spell attack against the target. If the attack hits, the creature takes 3d8 damage of the type you choose.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.

Spellcasting (Sorcerer)

Player's Handbook

Comprehend Languages

1st-level divination (ritual)

CASTING TIME	1 action
RANGE	Self
DURATION	1 hour
COMPONENTS	V, S, M (a pinch of soot and salt)

For the duration, you understand the literal meaning of any spoken language that you hear. You also understand any spoken language that you hear. You also understand any written language that you see, but you must be touching the surface of which the words are written. It takes about 1 minute to read one page of text. This spell doesn't decode secret messages in a text or glyph, such as an arcane sigil, that isn't part of a written language.

Pact Magic (Warlock)

Player's Handbook

Disguise Self

1st-level illusion

CASTING TIME	1 action
RANGE	Self
DURATION	1 hour
COMPONENTS	V, S

You make yourself—including your clothing, armor, weapons, and other belongings on your person—look different until the spell ends or until you use your action to dismiss it. You can seem 1 foot shorter or taller and can appear thin, fat, or in between. You can't change your body type, so you must adopt a form that has the same basic arrangement of limbs. Otherwise, the extent of the illusion is up to you.

The changes wrought by this spell fail to hold up to physical inspection. For example, if you use this spell to add a hat to your outfit, objects pass through the hat, and anyone who touches it would feel nothing or would feel your head and hair. If you use this spell to appear thinner than you are, the hand of someone who reaches out to touch you would bump into you while it was seemingly still in midair.

To discern that you are disguised, a creature can use its action to inspect your appearance and must succeed on an Intelligence (Investigation) check against your spell save DC.

Legacy of Dis (Tiefling (Dispatr))

Player's Handbook

Dissonant Whispers

1st-level enchantment

CASTING TIME	1 action
RANGE	60 feet
DURATION	Instantaneous
COMPONENTS	V

You whisper a discordant melody that only one creature of your choice within range can hear, wracking it with terrible pain. The target must make a Wisdom saving throw. On a failed save, it takes 3d6 psychic damage and must immediately use its reaction, if available, to move as far as its speed allows away from you. The creature doesn't move into obviously dangerous ground, such as a fire or a pit. On a successful save, the target takes half as much damage and doesn't have to move away. A deafened creature automatically succeeds on the save.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

Lunar Embodiment (Sorcerer)

Player's Handbook

Faerie Fire

1st-level evocation

CASTING TIME	1 action
RANGE	60 feet
DURATION	Concentration, up to 1 minute
COMPONENTS	V

Each object in a 20-foot cube within range is outlined in blue, green, or violet light (your choice). Any creature in the area when the spell is cast is also outlined in light if it fails a Dexterity saving throw. For the duration, objects and affected creatures shed dim light in a 10-foot radius.

Any attack roll against an affected creature or object has advantage if the attacker can see it, and the affected creature or object can't benefit from being invisible.

Lunar Embodiment (Sorcerer)

Player's Handbook

Feather Fall

1st-level transmutation

CASTING TIME	1 reaction
RANGE	60 feet
DURATION	1 minute
COMPONENTS	V, M (a small feather or piece of down)

Reaction: When you or a creature within 60 feet of you falls Choose up to five falling creatures within range. A falling creature's rate of descent slows to 60 feet per round until the spell ends. If the creature lands before the spell ends, it takes no falling damage and can land on its feet, and the spell ends for that creature.

Spellcasting (Sorcerer)

Player's Handbook

Hex

1st-level enchantment

CASTING TIME	1 bonus action
RANGE	90 feet
DURATION	Concentration, up to 1 hour
COMPONENTS	V, S, M (the petrified eye of a newt)

You place a curse on a creature that you can see within range. Until the spell ends, you deal an extra 1d6 necrotic damage to the target whenever you hit it with an attack. Also, choose one ability when you cast the spell. The target has disadvantage on ability checks made with the chosen ability. If the target drops to 0 hit points before this spell ends, you can use a bonus action on a subsequent turn of yours to curse a new creature. A remove curse cast on the target ends this spell early.

At Higher Levels. When you cast this spell using a spell slot of 3rd or 4th level, you can maintain your concentration on the spell for up to 8 hours. When you use a spell slot of 5th level or higher, you can maintain your concentration on the spell for up to 24 hours.

Pact Magic (Warlock)

Player's Handbook

Sanctuary

1st-level abjuration

CASTING TIME	1 bonus action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	V, S, M (a small silver mirror)

You ward a creature within range against attack. Until the spell ends, any creature who targets the warded creature with an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, the creature must choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects, such as the explosion of a fireball. If the warded creature makes an attack, casts a spell that affects an enemy, or deals damage to another creature, this spell ends.

Lunar Embodiment (Sorcerer)

Player's Handbook

Shield

1st-level abjuration

CASTING TIME	1 reaction
RANGE	Self
DURATION	1 round
COMPONENTS	V, S

Reaction trigger: You are hit by an attack or targeted by the magic missile spell. An invisible barrier of magical force appears and protects you. Until the start of your next turn, you have a +5 bonus to AC, including against the triggering attack, and you take no damage from magic missile.

Pact Magic (Warlock)

Player's Handbook

Blindness/Deafness

2nd-level necromancy

CASTING TIME	1 action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	V

You can blind or deafen a foe. Choose one creature that you can see within range to make a Constitution saving throw. If it fails, the target is either blinded or deafened (your choice) for the duration. At the end of each of its turns, the target can make a Constitution saving throw. On a success, the spell ends.

At Higher Levels. When you cast this spell using a spell slot of 3rd or higher, you can target one additional creature for each slot level above 2nd.

Lunar Embodiment (Sorcerer)

Player's Handbook

Darkness

2nd-level evocation

CASTING TIME	1 action
RANGE	60 feet
DURATION	Concentration, up to 10 minutes
COMPONENTS	V, M (bat fur and a drop of pitch or piece of coal)

Magical darkness spreads from a point you choose within range to fill a 15-foot radius sphere for the duration. The darkness spreads around corners. A creature with darkvision can't see through this darkness, and nonmagical light can't illuminate it.

If the point you choose is on an object you are holding or one that isn't being worn or carried, the darkness emanates from the object and moves with it. Completely covering the source of the darkness with an opaque object, such as a bowl or a helm, blocks the darkness. If any of this spell's area overlaps with an area of light created by a spell of 2nd level or lower, the spell that created the light is dispelled.

Lunar Embodiment (Sorcerer)

Player's Handbook

Detect Thoughts

2nd-level divination

CASTING TIME	1 action
RANGE	Self
DURATION	Concentration, up to 1 minute
COMPONENTS	V, S, M (a copper piece)

For the duration, you can read the thoughts of certain creatures. When you cast the spell and as your action on each turn until the spell ends, you can focus your mind on any one creature that you can see within 30 feet of you. If the creature you choose has an Intelligence of 3 or lower or doesn't speak any language, the creature is unaffected.

You initially learn the surface thoughts of the creature—what is most on its mind in that moment. As an action, you can either shift your attention to another creature's thoughts or attempt to probe deeper into the same creature's mind. If you probe deeper, the target must make a Wisdom saving throw. If it fails, you gain insight into its reasoning (if any), its emotional state, and something that looms large in its mind (such as something it worries over, loves, or hates). If it succeeds, the spell ends. Either way, the target knows that you are probing into its mind, and unless you shift your attention to another creature's thoughts, the creature can use its action on its turn to make an Intelligence check contested by your Intelligence check; if it succeeds, the spell ends.

Questions verbally directed at the target creature naturally shape the course of its thoughts, so this spell is particularly effective as part of an interrogation.

You can also use this spell to detect the presence of thinking creatures you can't see. When you cast the spell or as your action during the duration, you can search for thoughts within 30 feet of you. The spell can penetrate barriers, but 2 feet of rock, 2 inches of any metal other than lead, or a thin sheet of lead blocks you. You can't detect a creature with an Intelligence of 3 or lower or one that doesn't speak any language.

Once you detect the presence of a creature in this way, you can read its thoughts for the rest of the duration as described above, even if you can't see it, but it must still be within range.

Legacy of Dis (Tiefling (Dispaterr))

Player's Handbook

Invisibility

2nd-level illusion

CASTING TIME	1 action
RANGE	Touch
DURATION	Concentration, up to 1 hour
COMPONENTS	V, S, M (an eyelash encased in gum arabic)

A creature you touch becomes invisible until the spell ends. Anything the target is wearing or carrying is invisible as long as it is on the target's person. The spell ends for a target that attacks or casts a spell.

At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.

Spellcasting (Sorcerer)

Player's Handbook

Misty Step

2nd-level conjuration

CASTING TIME	1 bonus action
RANGE	Self
DURATION	Instantaneous
COMPONENTS	V

Briefly surrounded by silvery mist, you teleport up to 30 feet to an unoccupied space that you can see.

Spellcasting (Sorcerer)

Player's Handbook

Moonbeam

2nd-level evocation

CASTING TIME	1 action
RANGE	120 feet
DURATION	Concentration, up to 1 minute
COMPONENTS	V, S, M (several seeds of any moonseed plant and a piece of opalescent feldspar)

A silvery beam of pale light shines down in a 5-foot-radius, 40-foot-high cylinder centered on a point within range. Until the spell ends, dim light fills the cylinder.

When a creature enters the spell's area for the first time on a turn or starts its turn there, it is engulfed in ghostly flames that cause searing pain, and it must make a Constitution saving throw. It takes 2d10 radiant damage on a failed save, or half as much damage on a successful one.

A shapechanger makes its saving throw with disadvantage. If it fails, it also instantly reverts to its original form and can't assume a different form until it leaves the spell's light.

On each of your turns after you cast this spell, you can use an action to move the beam 60 up to feet in any direction.

At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d10 for each slot level above 2nd.

Lunar Embodiment (Sorcerer)

Player's Handbook

This armor consists of a fitted metal chest piece worn with supple leather. Although it leaves the legs and arms relatively unprotected, this armor provides good protection for the wearer's vital organs while leaving the wearer relatively unencumbered.

A shield is made from wood or metal and is carried in one hand. Wielding a shield increases your Armor Class by 2. You can benefit from only one shield at a time.
